Hi Dancers

Hope all those who are attending the National Convention have a wonderful time and a safe journey.

It is wonderful to see that many of the dancers formally from Shooting Stars have remained together and are still dancing together. We are looking forward to hear further developments for their group's future.

I hope all the mothers had a Happy Mothers Day and those who attended the May Society Dance enjoyed their flowers and chocolate. The dance was well attended and the callers and cuers gave us a terrific night of dancing. Thank you to those many dancers who helped out setting up, with supper and the packing up at the end of the evening and also to our local and visiting Callers and Cuers. Those extra hands at the critical times like supper and pack up makes the tasks much easier. Many thanks also to the Outlaws for the use of their autumn decorations.

Don't forget the Callers Dance on July 2nd, which is also the last night for purchasing early bird discount Convention tickets. Convention plans are progressing well and if you require additional registration forms please either talk to your Club Representative or any Convention Committee Member.

Looking forward to seeing you on the dance floor

Heather Wheeler

A great night was had by all at All About Squares 3rd birthday.

Always nice to catch up with friends we haven't seen for a while and to meet new people.

Great to be able to put a face to a name as well.

By time this is read Easter will have passed for another year.

A couple of us travelled to Speewa for Easter Hoedown at the Barn.

Always a very enjoyable and relaxing weekend.

We wish safe journey to all travellers going to Darwin.

We wish those travelling further afield safe travels and safe passage back to relevant clubs with tales to tell. Alan and I will be floating along the Murray on a houseboat at that time.

Congratulations to Amanda and Eoin for the safe arrival of Caleb on 13th April. Another grandson for Chris and Alan. Mum, Dad, big sister and baby all doing well.

Happy 50th Birthday to Wendy for 28th May – have a great celebration.

Happy dancing.

As yet un-named Club
Formerly Shooting Stars Social Club

Well, what a roller-coaster ride the past few weeks have been!

Firstly, we thank Trevor and Lorraine for their years of service to Square Dancing.

We trust they will enjoy good health and travelling adventures in their retirement.

Our first week coincided with the Royal Wedding but we still had three squares and 3 guest Callers. How's that!

Mother's Day celebrations on 6th May where everyone had fun, a raffle donated by Pam A and won by Jan H.

Of course there are teething problems but these are minor and we are all determined to continue to enjoy dancing.

We extend our thanks to all who have offered to assist us and thank them for their time. We are also indebted to Ian Rutter for his time, he is gaining confidence and doing well.

We welcome visitors to experience our friendly atmosphere with visiting Callers via records the mainstay of the evening.

We plan to follow the diary of the late Shooting Stars Social Club calendar for special events and will notify any changes as needed.

Til next time, Jan

ADELAIDE OUTLAWS

Hi everyone. First of all another thanks to Dawn and Robert who very ably ran the Mothers Day dance whilst Graham was in Sydney for work..

Our Easter Dance was a great evening and we were entertained by several dancers who took to the stage to share their talents. Big thanks to Noel and Ashley Rose Wheeler, Kevin Alfrey, Rosemarie Pearce and Barry Kemp, Hilda Kirtland and Ian Rutter - you were great. A supper of hot cross buns and Easter eggs and an Easter themed decorated hall topped off a fun night. We hope you enjoyed it.

The Plus learners is well underway out at Kilburn running the hour before the main Plus dance and then mixing in afterwards for the second bracket.

You'll see the dates we're closed for the National Convention in our advert. This is to enable Graham and Dawn a two week holiday in the top end following the Convention.

In July our next theme night will be the American night on July 4th. As always the dress theme is red, white and blue, we'll be taking a musical tour around America and there'll be hot dogs and donuts included in our supper. There'll also be a chance to dance a bracket using American style handholds. It's a colourful night with the hall decorated appropriately and you're all invited.

Welcome again to our Club News. Our beginners class which started in March has got off to a great start. About 17 enthusiastic learners the first night and along with our angels were dancing 2 sets. Second night the number increased and we danced 3 sets and now have seemed to have settled back to 2 sets.

On 26 April we could not use the hall due to the Noarlunga Theatre Company rehearsals. So we invited the mainstream dancers to join in with the learners on Thursday of that week. What a wonderful night we had, certainly the combined numbers led to a terrific atmosphere. The learners had the added benefit of dancing with the experienced mainstream dancers (or was it the other way around???) It was a great opportunity for the two groups to mix and get to know each other.

And guess who turned the **50** last month, no prizes for guessing Les T, congratulations and next thing to look forward to is a seniors card.

Looking forward to our 16th birthday next month, plans are well advanced and we welcome everybody to come along. Please see our advertisement for details or go to our website www.sunsettwirlers.com

At the annual Speewa Easter dance SA was well represented with 24 of our dancers. The principle caller was Peter Humphries who

was assisted by three other guest callers including our own Ivan Cooke. Des Devereaux, our amazing host, said he had over 100 dancers registered and enjoyed the good country style meals provided by Des and his team. Friday night kicked off with 8 squares on the floor. On Saturday we enjoyed a boat cruise/dance. Each year when the boat goes past the riverside caravan park, Peter puts on a bit of a show, but on the journey back the boat generator failed and we motored past the caravan park in silence. The cruise was followed with a riverside feast endless pancakes. Back at the Barn we started a 'dance till you drop'; The first tip had three singing calls, the next tip four and more. Numbers faded fast after a tip of seven songs, the stalwarts remained until around 3.00am completing a final tip of 9 calls, a total of 42 singing calls. During the night Peter did threaten to do a half hour hoedown as well. The Sunday workshop commenced with 5 squares of bedraggled and weary dancers, however, the weary bodies could not keep. A delicious dinner kicked off the Sunday evening dance, which was well attended with 8 squares up for most of the night and many more sitting out, by 11.00pm, they certainly pack a lot of dancing into the three days. The Speewa Easter Dance is a very special event and it will be sad to see it go. Square dancing owes a lot to Des Devereaux so let's give him something back, come along and celebrate the Farewell Speewa party commencing on 6th -8th April 2012. If you are thinking of coming along, register your interest by <http://squaredancemagazine.com/contact>

We hope you all had a safe and enjoyable Easter weekend. Those of us that could

travel from The Paddle Steamer Squares decided to travel to Swan Hill for a weekend of dancing at Speewa in Vic to the caller Peter Humphries. Peter has been dancing and calling for forty three years, At The Barn where we had some great dinners and breakfast's, we were always very warmly greeted by the owner Des. For Leon, John and Zaree it was a first and a great experience, but for Ken & Hazel it was a time of great celebrations as a lot of dancers they had not seen for some 20 yrs or so. It was like a school reunion to them. It was great fun and exciting to see some of the dancers from other clubs that we have come to know over the years. On the Saturday afternoon we all left the wharf for a cruise on the Pyap. What a wonderful time was had by all, we had two sets dancing at the back and one set on the bow. Afterwards we drove a short distance to the Victorian and NSW river border where they had a BBQ dinner waiting for us, followed by pancakes. I could have just sat around the bonfire and enjoyed the music all night long, but for those with a lot more energy went back to dance at The Barn, where I believe they danced until the early hours of the morning (2am) It left us all looking forward to our next trip, and for a lot that will be The Nationals in Darwin. We wish you all safe travel and a great time dancing. Zaree

Our combined Easter/ANZAC dance with Kannella Squares was a great night – the BBQ was expertly cooked by

Wild Frontier have again been busy promoting our activity with a demonstration at the Barossa Vintage Festival and also at the International Day of Dance – thanks to those dancers who gave up their time to come and help us.

Having just enjoyed our May Dinner, the next special night on the agenda is our French Theme night on 15th July. Everyone is welcome to come and join us for some Ooh La La, quiche & croissants – feel free to dress to theme if you wish and basket supper please.

Our next learner's class is starting on Thursday July 14th at Brigalow Ave - with the first two nights free. So if you know of anyone interested in learning or re-learning, please let them know or bring them along.

Wild Frontiers (Anzac/Easter Dance), we started the night with a BBQ Expertly cooked by our chiefs, and their supplied BBQ, which was greatly appreciated, and thank you to the members for their salads which was Devoured as well.
