VSDA Presidents Report

President: Carmel Sinclair

Hi Dancers

The 40th Anniversary of State Conventions has come and gone. What a grand weekend of dancing we had. The callers & cuers certainly pulled the rabbit out the hat on this one. With lots of fun and memories from the past with some of the old dance movements being workshopped on the Sunday afternoon and Sunday night the emotions shown by the callers and cuers doing tributes to the callers and cuers of days gone by. It was just as special night.

Thanks to all that came along to make the weekend a success we will see you next year at Sale.

Over the next few months there will be plenty of special events for you to choose from:- See Dates to remember in this issue

Working bees are in full swing for the 2010 51st. Australian National Convention in Wodonga. You can book your accommodation now. We will see you there in Twenty 10.

On a sadder note Vale to Jim Vickers-Wills who passed away in January, Marj Breydon life member of JB Square Wheelers passed away in February and Nance McFadyean who passed away in March. Our condolences are extended to their families.

To our sickies and the ones receiving new body parts, have a speedy recovery and are back on the dance floor very soon.

Keep the feet dancing and we will see you somewhere on the dance floor.

Carmel Sinclair
President

VSDA Publicity Report

Publicity Officer: Mary Beerens

The 2009 State Convention in the Springvale Town Hall was a great dance event. For the 40th anniversary we had a hall full of dancers, having fun and meeting dancers from other clubs. We had quite a large number of first time State Convention attendees and lots of interstate guests. However, Mrs. Marion Brown was the only person, who attended all 40 Victorian Conventions. She was given a presentation at the opening of the Convention. Awards were handed out by the VCA for 25 years of Square Dance Calling, to Peter Humphries and to Janet Cook.

It was nice to see the dressed-sets come onto the floor and doing their demonstration dances.

Sunday was a day of reflection. Callers and Cuers dived into their "old memories songs" box and surprised us with "old" round dance songs and square dance moves, not often danced anymore, but not forgotten. In the evening tributes were made to Callers no longer on stage.

Sale will be hosting next year's VSDA Victorian Convention.

I hope you have supported the Royal Children's Hospital Dance, a 12-hour fundraiser at the Braybrook Community Centre. I know everyone has dug deep to give to the fire appeal, but the children cannot be forgotten.

On Saturday 18th April RDAV is holding their autumn round dance workshop.

The venue is Sunnyside Lodge at Heatherton. The workshop will cover the 2008 experimental dances, which will need to be voted on at the Perth National Convention. Come along and have some fun with learning the new dances.

The next event on the VSDA calendar is the Annual General Meeting, to be held on Sunday 16th August. This time we will be dancing and meeting in the Box Hill Senior Citizens Centre at the corner of Carrington & Thurston Streets. More information is on the back page of the SAV and flyers are due to go out to the Clubs soon.

If you are not a VSDA member yet, please contact Barbara Treharne, phone 9776 5959, to ask for a membership form or download the appropriate form via the internet by visiting our web site www.squaredance-victoria.com.au You may also find some other useful information when you logon.

Becoming a VSDA member will entitle you to discounts on entry fees to VSDA functions, a free small advertisement in the SAV each year and voting for your committee at the AGM. For an additional fee you can also receive the "Squares Around Victoria" magazine, which is a very popular read with square dancers.

Keep smiling, it's free and contagious.

Mary Beerens
Publicity Officer.

Victorian Callers Association

President: Janice Alexander Secretary: Mike Davey

Congratulations to Peter Humphries and Janet Cook on 25 years of Club calling. They were presented with awards during the State Convention.

The convention was great. The feedback indicates that the nostalgia was quite popular and many dancers really enjoyed the opportunity to revisit some of the older moves.

Thank you to the callers who all did a great job presenting those movements.

We were very sad to hear that Nance McFadyean passed away just before the convention and our condolences go to her family.

Our next meeting will be in May. Please contact Mike Davey for details.

President: Pat Saunder Secretary: Carol Simondson

Thank you everyone who supported and worked hard for our fun day, which was a fundraiser for our Spring Festival".

Thank you also to Ella for the use of her venue and also remember early bird tickets close April 27th.

We are still looking for a secretary and are grateful to Carol (Simondson) who is Vice-President and is also handling the Secretary duties.

The Autumn workshop on April 14th is just around the corner and again we will be at Ella's where we will working on the dances for the National Convention.

Congratulations to Ella and Sunnyside Rounds who are celebrating their Birthday on May 3rd

A Happy and safe Easter to all.

Cooler weather has brought back a lot of dancers, numbers have been very good. Demo at the Austrian Club was very well received with the audience joining in the dancing, it was a good day all round. Good to see, David, Elsie & Phyl back on the dance floor.

The other Patricia & David are progressing well and hope to see them back very soon. Alan's knee operation went well and is now in rehab.

Beginners have now started and they are enjoying themselves. Convention went off well, congratulations to all organizers; it was unfortunate the Neil wasn't able to see it all through, and missed out on Monday. He is fine now. Hope to see you all on the dance floor soon.

Ah Beng is filling up an application form for a job.

He supplied the information for the columns on Name, Age, Address etc. Then he comes to column on 'Salary Expected', but he is not sure of the question.

This month is again filled with sadness as we hear of the passing of Nancy McFadyean due to illness.

A lovely lady who will be sadly missed and now re-united with Lee.

Our deepest sympathy goes to the McFadyean family at this time.

Another state convention has come and gone and what a convention it was.

We had an absolute ball, congratulations go to the committee.

Our dressed set once again did us proud, well done. Theresa and Joshua looked absolutely gorgeous in their matching outfits.

Congratulations go to Kevin Thomas for his tribute edition of the SAV in honour the Brown family.

He also did a great job as convenor of the last 9 state conventions and will be a hard act to follow.

We welcome our recent visitors. By the time this goes to print our RCH fundraiser dance will have come and gone.

That's all for now.

What a great 40th Victorian Sate Convention! Congratulations to all who were involved. Everyone who attended had a wonderful time.

Frank Kennedy has been coming over to help Sharon with our new group of beginners who are dancing very well and are having a great time.

Special Happy Birthday wishes and Congratulations to Nola who is celebrating her 70th Birthday this month.

Happy Birthday wishes must also go to Amy who is turning 14.

Sharon and Amy would like to wish everyone a very Happy Easter and please be careful on the roads gang. Well until next month remember,

Been very busy at Essendon since the last report. First our last group of beginners graduated, then there was the convention - and those who attended seemed to have a good time and enjoyed dancing to some old favourites.

We have also presented demos on two different weekends. This has resulted in many names of people who will hopefully join our ranks in the future.

Had our first Come and Try Night last week – so some have already started dancing and are keen for Beginners to get underway.

For dancers inquiring about the bushfire dance held at our hall we raised \$2600.00 .

Many are looking forward to Easter with a large number again heading for Speewa.

Hello everyone, what a busy month it has been again. We had a fun night on St Patricks day lots of green and clover leaves were to be seen. Or should I say to be sure to be sure!
A grand supper was enjoyed by all at the end of dancing.

Our State Convention saw a busy weekend for everyone. The afternoon dance sessions were very popular. The evening sessions also were a great time. Thank you to all who joined in the fun participating in the Club Dress Sets. You all did a fantastic job. The effort you all put in certainly showed on the night. Well done!
Our annual mystery destination picnic was well supported again this year, weather was much better also.
I am sure you all had fun gathering your information along the way.

Great to see Phil back even if not dancing yet.

We will be having a night of duets with Lorraine Ritchie on 2 May 2009. That should be wonderful because Lorraine and Janice hardly have the opportunity to call together.

Last night we had a great dance with Philip Aslanides at the "Shed", with our own dancers, some Bendigo dancers and some visitors from Melbourne. Danced late afternoon, had some tea and danced on. Thank you Philip from every-one.

We welcomed David and Cathy Racind from America who have come to live in Benalla for a time. Cathy is a caller with many years experience. She called a plus bracket and a bracket with Philip. Thank you Cathy.

Our next major dance will be "Back to the Shed" with Peter Humphries in April, and we are all looking forward to this night.

With family events and people away we are dancing when everyone is around so, not always fortnightly at the moment.

Well, the State Convention has come and gone, seemed to be very successful. Very nice to see an increase in the number of Dress Sets. Congratulations and thanks must go to the hard workers who spend their time making the events such a success. Only problem seemed to be the very slippery floor in one area.

After parties as usual went well into the night.

It's good to have lots of laughs with old friends and talk about the past year.

Frank is helping Sharon at Diamond Valley with her beginners.

First night 11 teenagers turned up, a real surprise, be nice if they all come back with friends.

All stops out now for Westgate's 30th Birthday. It was decided to hold it in Westgate's Hall for "Old Times Sake". Should be OK as the hot nights have gone by May 9th. (See our Advert in this Issue) and we hope to see you all there.

Beginners have started with 9 dancers, including 2 non square dancers.

I was thrilled to see Ray & Glenys dancing Rumba at the State Convention.

Congratulations to Kevin and his helpers on a wonderful tribute SAV. I think Adrian would have been very happy to see it go ahead without interruption.

It also gave everyone to show their support for the family members.

Can square dancing be likened to riding a bike? You never forget how to. We thank Kathy (Chris's sister) for filling in a couple of weeks ago to give us enough to dance. Kathy hasn't danced for 16 years, however hasn't lost the rhythm.

Square dancers don't just square dance as we know. Recently 6 couples of square dancers found ourselves in the same place at the same time with an evening to burn and not a caller or cd between the lot of us. We made do with Leanne Rhymes to jitterbug to. Note to self – put a square dance cd or tape in the vehicle, you never know when you might just need one.

Belated congratulations to Jenny & Ron on their engagement at xmas time.
Also congratulations to Gavin & Sarah on their engagement in March.

We wish everyone a safe and happy Easter.
Please travel carefully on your journey's.

Those who made the trip to the convention enjoyed themselves especially some of the nostalgia brackets and the older rounds which we could cope with as cue and dos! Everyone was thrilled to hear that the next convention will be in Sale - it saves us the travelling. Some already have "bookings" for others to stay with them!

Colin has thrown away the sticks and is raring to get back to dancing but the hip needs a bit longer to heal before he can dance again.

Our beginner intake this year appears not to have worked - seems to be related to being hot so we may try again after our birthday in July when the weather is cooler.

Thanks to all the guys who so willingly got stuck in to solve the problem of the low water flow - Colin sure appreciated the help as he could not climb the ladders at that time.

Now that it has since rained the tank has filled up, been flushed out and is full again.

SUNNYSIDE LODGE & ROUNDS

Our 51st birthday was a special night with the theme 'Tropicana'. Everyone received beautiful Leis with a lucky door number. It was a night full of fun and friendship ending with a beautiful supper supplemented by Ella.

All proceeds went to the bushfire appeal. It was unfortunate that it clashed with other events also raising money for the appeal.

Months of planning go into these special nights and it is disappointing when they are not so well attended.

On a sad note, the passing of Nance McFadyean has been devastating to us all. Nance was a wonderful club member and friend. She will be sadly missed.

February and March were popular months for birthdays and we have enjoyed many birthday cakes for supper.

Those who attended the State Convention had a great time.

Thank you to the Committee and VSDA for the lovely supper Sunday night. It was a perfect finish for a most successful 40th Convention.

There are so many lovely Rounds being danced and presented at our Club and the different levels cater for everyone.

Most dancers prefer the easy Rounds in clubs and they are well catered for.

The higher levels are for people who want to do more - same thing only different dancing such as in Squares catering for Mainstream Plus and A Level - so don't be afraid to attend clubs with the level you most enjoy.

Sundays are Easy to an Intermediate level. Thursday nights are the higher level of Intermediate onwards.

Everyone is welcome, so come along and see for yourselves.

Our birthday in May will cater for Easy to Intermediate level. Everyone is welcome to join us. See advert.

Hi everybody, just a short report this month. Our travelers sailing on the Queen Mary 2 have sent a card saying "how good it is". Sure wished that they had asked me to be cabin boy, drat. Club is doing very nicely dancing two sets, and our new car park should be finished by next week.

We were saddened to hear of the passing of Nance McFadyean a truly lovely lady, our condolences to her family, and also to Stella and Pauline at their sad loss.

On a brighter note, happy birthday to all our dancers who became a year older last month. That's all for now, so remember a hearty welcome awaits you when you visit us.

Things have settled well at Silver Grove. The floor is a good surface and we have ceiling fans and heaters. There has been a lot of laughter around the hall, which is always great.

Birthday greetings this month to Mal and Heike, anniversary wishes to Mal and Lyn.

We hope that Kath is on her feet soon after rehab. Our thoughts go to her and Noel on the passing of Kath's mother.

Adrian & Mirribelle Brown & Family

To both Adrian and Mirribelle's family and square dance friends, For some time, we have followed the television and newspapers about all the bush fires raging in Australia, which we seem as very sad and tragic. Even more; because it came so close to us last Sunday morning in our local newspaper, we was reading their names, as we did a few days before from the TAWS; Adrian & Mirribelle Brown, and their 3 children had died in the flames of Kinglake.

We would like to bring our condolences to the family. We are deeply shocked.

We like up on the initiative, when we experienced that the Essendon- and Phoenix Squares arrange charity dances. We can't unfortunately attend; the distance you know.

Instead we have donated a small amount through them. Since we live and breathe for the square dancing we like it better, and feel, that the money would do more good in this manner, because we are convinced of the good deed on our hobbies, square dance, friendship set to music, instead of giving to any other collection here in Denmark.

We are a married couple from Denmark/Sweden that have been dancing square dance for many years.

We hope to see some of you on our holiday in Australia in a few months – maybe you are attending the 50th?

Traveling Allover With Squaredancers, this year planning for 5 weeks of holiday in June in Australia.

Dear Kevin,
I just read the tribute SAV issue to Adrian and Mirribelle; and i would like to say that I feel you did a great job under such circumstances.

As someone who had known them for many years through square dancing I was very shocked and deeply saddened to hear of their passing and that of their children so tragically.

I can say that I had the privilege of attending their wedding some years ago, and I have fond memories of that joyous day.

To their families I extend the deepest sympathies of my family from here in Michigan, USA.

I also pass on those from people here in the local community in which I live. We all hold everyone in our thoughts and prayers; especially the Brown and Guiliano families at this time.

Once again I applaud you Kevin for the job you did in handling what I am sure was a difficult SAV issue to do.

God bless,

Adrian & Mirribelle Brown & Family

To Brown & Guiliano families,

We were shocked to hear of the tragic loss of Adrian, Mirrabelle, Eric, Matthew & Brielle in such incomprehensible circumstances. We had got to know Adrian & Mirrabelle over the past three conventions. We felt a real connection to them by their down to earth view of everything, their honesty, helpfulness, approachability and enthusiasm for life & square dancing. To have met them was our privilege. To lose them to soon is everyone's loss.

They will be greatly missed.

A MESSAGE FROM THE BROWN FAMILY

We have received a message from the Gary & Robyn Brown.

They advise that there is still no date set for the funerals and will advise as soon as the remains are released.

They have also requested that No Flowers be sent, instead, a donation may be made to a fund that they are setting up to re-establish the library at Eric and Matthews School at Kinglake.

We shall also bring you information on this as it comes to hand via our website

It is with great sadness that we hear of Nancy's passing. We have known & have been friends for many years with both her & Lee. Please pass on our condolences to her family. Rest in peace.
