Hello everyone. Firstly, I must, on behalf of the VSDA wish Mike Davey a speedy recovery after his recent stay in hospital. We are all thinking of you. Also to all the sickies get well soon because we miss you on the dance floor. Well done to all those dancers, who travelled overseas to various Conventions. You have done your country and state proud.

It was sad to hear that Modern Squares in Bendigo have closed. We thank Philip for his years of commitment running the club and wish him all the best in the future.

Plans are well under way for our upcoming events. See the web page or face book page as well as the SAV for all the latest news and details. We would love to see you all there if you can make it.

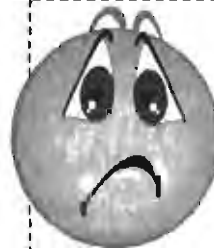

Over the past couple of months word has returned to the VSDA that we are doing very little to promote square dancing, along with nothing for you the dancer. These comments are disappointing to hear. Everyone involved in the VSDA committee are only volunteers and are doing the very best for you all. We work long hours to bring our events to you. With costs rising, we are trying everything to keep them down to a suitable level, so all can attend the functions.

We are open to suggestions from dancers as to how to improve what we do. Please send us your ideas and we will look at them. As I have asked in the past if anyone has anything they wish to raise or a question to ask, please put it writing and send it to us. If this is done we can make sure it's placed on the agenda for discussion.

To all the clubs, who have recently had a birthday, well done and we know you all had a great time.

Until next time stay warm.

Mark Kelly
President VSDA

Happy to say that Alan Gale is coming along well, albeit it a little slowly (much to Alan's chagrin), after a huge operation in May. We miss him on the dance floor, and hope he and Wendy are soon able to return. The New South Wales State Convention at Milton was a great success with a very friendly, happy atmosphere. Nice to meet up with some old friends from Victoria, and to enjoy dancing to some of the Victorian callers. Pam and George now back from their outback western NSW coach trip and club back to normal.

We wish Ursula a very safe trip to the UK, and a happy holiday. Rosemary and Brad have just returned from visiting their son and family in Rockhampton, and are soon off to Tasmania to their daughter and family. August birthday wishes go to Brad and Ursula.

SCP 25th birthday will be here before we know it. We have managed to secure the hall a little earlier and are pleased to advise that the evening will begin with sherries ~ contact Howard for more information about the night or see advert in next issue. Check dates to be remembered for the date.

It was great to dance to the favourite singing calls from over the last few years. And the favourite was? You will have to tune in next issue to find out!

At SCA, we have been enjoying dancing on these chilly nights - having the heater on in the hall, sure makes it easier to venture outside and head to the dance. Don't forget that in August, SCA goes weekly and we will be starting A level learners classes, see advert in this issue for details.

Bookings have started for our 'Hepburn with Howard' weekend that will be held in May next year. The place looks fabulous and it sounds like it's going to be a fun weekend.

Our best wishes have been sent to Mike Davey following his operation and pleased that he is starting to get back on top of things. Mike will be at helm of SCP on 7th August while Howard is calling in New Zealand.

Hi all. Winter has certainly set in, its lovely and fresh. It doesn't keep us away from dancing every night. The Jamo's were away in Bali for a 2 and half weeks a big thank you to Janet Cook, who came and filled in on Graham and Charmaine's Absence.

We had our Silly Sock and Scarf night. It was a fun filled night with some crazy socks and scarves to be seen. In the month of June we also had a Visit from Danae Wheeler, who travelled over for Korf Ball Nationals, all the way from South Australia. Thank you for coming to visit it was a lovely surprise.

By the time you have received this our 13th club birthday will be done and dusted. Magical Musicals, more info will be in next months SAV. Stay Warm during these cold months and we will see you somewhere on the Dance floor!!
Happy Dancing. The Jamo's

HARLEQUIN ROUNDS

Cuer: *Coral Wegmann* 03 9702 9251

June and July have been busy months for Harlequins as many of us are involved in the preparation for the Spring Festival in September. At club, we have been practicing several of the dances that will be cued at the Festival. Get well messages are sent by us all to Patricia Shing for a speedy recovery from a broken shoulder.

On Monday the 13th July Harlequins had their annual outing. This time 15 of us set off at 9.00am on a bus bound for a Government House Tour and then on to Latrobe Cottage. Although a very chilly day, we didn't get wet and thoroughly enjoyed our day, including lunch in the Botanical Gardens. A big thank you to Neville Jarvis for being our well informed guide and Bill Armstrong for his input. We ended our perfect day with a late afternoon dance followed by High Tea. Many thanks to Ella for her yummy soup and scones. Looking forward to the Spring Festival. See you there? Till next time, see you Round.

Kintyre dancers be warned. Loads of new dances are to be added to our program! After attending three international events in the USA, I have returned with some lovely new dances from Phase II upwards. The 64th National Square and Round Dance Convention in Springfield, MA was attended by in excess of 3,000 people and I felt very honoured to attend the event, especially marching in the closing ceremony, together with some of the 16 Aussies who attended the National. It certainly was another great chapter in my dancing life. The committee were most appreciative of the distance we travelled to be part of the 64th and made us all very welcome. Sincere thanks to Anne, for looking after Kintyre, whilst I was overseas dancing. Congratulations - Kintyre Dance Club is now six years of age. Well done, and thanks to the dancers for your support.

June has been a very sad month with the passing of my partner and friend Norm Keilour, who died peacefully at Knox hospital. Thank you to all the dancers for their help, support and friendship at this time of sorrow. I also lost a longtime friend, Ginni Steele, who started Pine City Twirlers in Mt. Gambier. Condolences also to Pat Larkin, who lost her husband David.

We love being back in Pinewood with all our heaters and the nice new kitchen. We look forward to our 26th birthday dance. Where did the last year go, since our 25th? Remember we have our festival coming up soon, so get your best gear and dancing shoes out. Best wishes to Mike for a quick recovery.

Past midway through winter now. Those chilly nights are easier to bear when followed by glorious sunny days. Definitely not hibernation time - there are plenty of activities and special events to enjoy. Our soup night was a feast with three soups, herb bread, fruit platter and a delicious cake made by Jean. We had a night with three birthdays to celebrate with a plentiful supply of cake thanks to Terry, Russell and Warren. While Graham was away on his special holiday to Bali, Janet, assisted by Frank, did a great job keeping us dancing over a couple of Thursdays. We found out how versatile Frank is when we had to have nearly a whole set of men. Lots of fun!

Enjoyed a visit from Jenny T when she came with Bernadette. Some members are away enjoying their travels, some unfortunately are nursing health issues - wishes to them for speedy recoveries. And, there has been sadness with Bernadette's brother and Graham's mother passing away. Condolences to the families. A group of us enjoyed celebrating Christmas in July with Golden Squares. Another fun night was the celebration for John's special birthday. Keep well and enjoying being active. CC

Vale to Ginni Steele

A little history into the "Pine City Twirlers" square dance club, which is coming up for its 32nd birthday this year. Ginni & Reg Steele are the founders of this club. So back in 1983 things got underway for this new club in Mt Gambier. Frank Kennedy, a caller from Melbourne was in the Mount to call for a one night show for the Rotoract Club, which Ginni & Reg attended. After the show Frank & his wife Joan were invited back to the Steeles for a cuppa, & it was at this first meeting that Ginni asked for help on how to start & run a square dance club. From that day onwards the new square dance was well on its way. The club was & still is a "tape" club. For many years Ginni ruled the roost & taught square dancing with an iron fist, producing many very good & competent dancers. She was herself a very good & confident teacher.

Ginni was made a Life Member of the SA Square Dance Society for her work & time that she gave to teaching & promotion of this great pastime. This lady will be greatly missed by many & we thank her for her dedication to square dance, an activity that she & Reg loved; giving many tireless hours of work to keep this activity. Jeff Seidel

It is with a great deal of sadness I had to announce the closure of the Diamond Valley SDC due to family ill health. I would like to thank all of my loyal dancers for their support that they have given me over the years. Because of this, it is with a great amount of pride that I am able to say our club has never had to close on any night due to lack of dancers in over 27 and half years. My dancers said that our club was more like a family than a square dance club. There are many highlights and memories - the interstate trips to national conventions. Calling at the many state conventions, where once I had the pleasure to call to a dress set. The appearance on TV, trips to Mount Gambler and Halls Gap and going to America and Canada calling to one of the local clubs.

I will not mention names I need to thank with the fear I will miss some one, but, thank you, thank you to all who supported Diamond Valley. The ACF awarded me the silver microphone award for dedication and service to square dancing for over 25 years and this gives me a lot of pride.

I leave with a lot of sadness but thankful for all the good times shared with my dancers.

My greatest thanks goes to my biggest supporters! My mum and dad and my best friend Frank and always remember gang - don't worry be happy.

Hello to all from Essendon. The months of June and July have seen us progressing well with our new people moving along with the mainstream program and the people learning plus moving along with that also.

Recently a group of us from the club went to Golden Square's Christmas in July at Nar Nar Goon and had a great time. Congratulations to Graham and Diane and their club members for putting on a great night out .

We have now started to send out invitation letters and flyers to all the clubs for our Fortieth Birthday in October, which we will celebrate as our Ruby Anniversary.

We wish to remind everyone that on Saturday the 8th of August we have a special night with Peter Humphries, Colin Dandridge and Jaden Frigo, providing the calling. Starting 7.30pm. Until next time, happy dancing.

Also those, who made the trip down to Nar Nar Goon for Xmas in July with Golden Squares had a great night.

Janet is now ready for her trip away and Graham will be looking after the club for us whilst she is away.

Please note. 1st, 3rd, & 5th Saturday no change, mainstream squares with rounds from 7.30 to 8.00pm.

So many folk have taken the opportunity this year to travel overseas, and up north. The weather has been a main cause of these changes.

The weather is cold but the dancing goes on. The numbers have been good. Thanks to Dinah for booking our theatre night out. 20 of us will be going, also thanks to Lyn doing the booking for next February to see the Military Tattoo. We are all looking forward to it.

We welcomed Bev & Ian from New Zealand and they received our visitors badge and we hope it will remind them of happy times in Australia. Also we had a visit from Trevor, who is heading north for winter.

By the time this goes to print a few dancers will have returned and we will be back at club on 6th August.

As mentioned last report our club birthday will be 17th September.

So keep on dancing it keeps you warm.

Be active.

We are saddened by the passing of David Larkin. David was a gentle man with a dry sense of humour. He will be missed and our thoughts are with the Larkin family. Also Ginni Steele from Pine City Twirlers passed away, condolences to Reg and Family.

Our ten pin bowling day was well attended and it was a fun day. Congratulations to Kevin & Shirley for winning their events. (Not forgetting Katherine, with the lowest score!!) Good times were had by all. Hot soups went down a treat on a wintery night. Welcome back to Ken & Mary from their US trip, they had a great touring and dancing trip. Get well soon to Nancy, who has been in hospital with pneumonia, and to all other sickies. We hope to see you on the dance floor very soon.

The RDAV Maypole social dance was a great success. Many thanks to George Ansell for organising three dancing groups to combine for the demonstration. Everybody present participated with the maypole and then joined us for some easy level rounds. The RDAV look forward to participating in pre rounds at the VSDA 2015 Members dance in August and would like to present some showcase rounds possibly for Queensland 2016.

The RDAV are very busy preparing for their 10th bi annual Spring Festival on the weekend of 12th & 13th September. Paula & Warwick Armstrong are our guest Interstate Cues/Teachers.

The RDAV are also conducting a special WORKSHOP with Alex & Jennifer Kennedy from New Zealand on the Sunday 6th September, prior to the Festival. Anybody who has learnt round dancing at an intermediate level or above is very welcome to attend.
